

# AGED CARE SERVICE PROVIDERS

We thrive to be the best at what we do, that's improving nursing, health care programs and standards.

## ABOUT ICONIC NURSE CONSULTING

Iconic Nurse Consulting is a specialist aged care consultant company working with clients across Australia. We provide a range of aged care consultancy services to help organisations survive and thrive in the challenging and ever-changing world of aged care. We're a highly collaborative and supportive team, coming together on every project to ensure our clients get the very best result.

Our mission is to provide a consumer-focused service based on best practice and meets their health care needs. We thrive on enhancing our consumer's wellbeing through education and information.

## WHAT WE CAN DO FOR YOU

### Aged Care Consulting and Advisory Services

We offer services that meet the consulting needs of Aged Care Service providers.

### Remediation Services

We are committed to supporting your facility in meeting compliance standards and improving the quality of care for your residents.

### Clinical Governance

Our consultants offer knowledgeable support in monitoring and fostering solid clinical governance.

### Interim Management Solutions

We offer specialized interim management services designed to provide immediate support and expertise in the event of unforeseen vacancies that can pose significant risks to their business operations.

## | WHAT WE CAN OFFER

### REMEDIATION SERVICES

We understand the unique challenges faced by aged care homes in today's ever-evolving healthcare landscape. Our Remediation Services for Aged Care Homes are based on a holistic approach that combines expert guidance, strategic planning, and hands-on support.

### CLINICAL TRAINING & EDUCATION

We understand that education plays a pivotal role in bridging the gap between knowledge and best practices in the healthcare industry. Our training programs are delivered by experienced healthcare professionals who are experts in their respective fields.

### CLINICAL GOVERNANCE CONSULTATION AND IMPLEMENTATION

Our service is designed to assist healthcare organizations in establishing and enhancing their clinical governance framework, ultimately leading to improved patient outcomes and regulatory compliance.

### INTERIM MANAGEMENT SOLUTIONS

Aged care homes often face unforeseen vacancies that can pose significant risks to their business operations. To address these critical concerns, we offer specialized interim management services designed to provide immediate support and expertise.

### CONSULTING AND SUPPORT SERVICES

We understand the unique challenges and complexities that come with providing care and support to the elderly. Our Aged Care Consulting and Support Services are designed to empower organizations and individuals in the aged care industry to deliver the highest quality of care and ensure the well-being of seniors. With our expertise and personalized approach, we aim to enhance the quality of life for elderly individuals and streamline operations for aged care providers.

## OUR APPROACH

### › SET STRATEGIC DIRECTION

We work with you to deeply understand your organisation. Your expectations are important to us. We work with you to understand the direction our services may take you.

### › DEVELOP THE PROPOSAL

We develop an approach that addresses the core issues. This is a collaborative process establishing the outcomes and how we can help.

### › GROW WITH US

Thinking about the bigger picture. We apply a holistic approach throughout the project utilising our business and operational knowledge to grow with you and identify continuous improvement opportunities.

### › THE PROJECT

We'll touch base with you every step of the way. We will keep all stakeholders abreast of the status of the project, new developments and timeframes. This helps to ensure expectations are understood and met.

### › FOLLOW UP

Measuring your progress and ongoing successes. We are committed to seeing you succeed. We will make a point to follow up with you in the weeks and months following the project completion.
